Aquednet WIII Open the Season on April NATIONAL LEAGUE SCHEDULE.

Assigned to the Empire City Track, PLAYING DATES FOR COMING

-Champions at Home on Memorial and Labor Days-The Allotment of Plums-Arranging World's Series.

The National League baseball schedule for the coming season was adopted yesterday, after which the League proceeded to finish up the business of the spring meeting. After President Pulliam of the National League and Ban Johnson, the American League president, had exchanged signed copies of their respective schedules, the National League delegates, who had been cooling their signified a willingness to continue its lease on the present show. The special notice printed was a letter from the Division of Customs, Treasury Department, at Washington, dated Nov. 11, 1903, and signed by H. A. Taylor. Assistant Secretary, addressed to the Collector of Customs, Platisburg. The copy reads:

The lynagingent has considered the inter of Mr.

Signified a willingness to continue its lease on the waste on the Westchester track. This means that the Morrises will receive an annual rental the Morrises will receive

leagues o'clock to hear at length the minor leagues o'demands as presented by a representative of them who came prepared to talk all night if necessary.

During the day John M. Ward, coupsel for Pitcher Jack Taylor, found out that there were no charges against the player to be taken under consideration by the commission after all. James A. Hart, who had originated the stories of alleged crookedness in connection with the post season series in Chicago in 1963, had made a complete backdown. But Owner Comiskey of the Chicago Americans was not satisfied to let the matter drop, and he proceeded to file charges against Hart, which the commission will review at another session to-day. Hart will be asked to be present and make a defence. As Taylor is indirectly implicated in these new charges, Ward will also request the right to be on hand to look out for the interests of his clients.

That the National League men are worrled over this Taylor case there seems to be no doubt. Herrimann, who hung around the American Leaguers the greater part of the day, finally succeeded in cornering Taylor and proceeded to lay down the law to him in the most vehement manner. While Taylor refused to talk of the matter it was said that Herrmann had warned him to keep quiet trouble for his accusers, on pain of dire punishment. In regard to the Taylor case Comiskey said:

The whole case is one of the biggest outrages I ever heard of. The National League

ishment. In regard to the Taylor case Comiskey said:

The whole case is one of the biggest outrages I ever heard of. The National League looks to be in a pretty hot pickle. Here they have been talking about a player in their own league, calling him a crook and intimating all sorts of raw performances, but when they are asked to toe the scratch with proof they throw up their hands and out. I have filed charges against Hart and demand that some sort of punishment be handed to him for injuring the reputation of my ball club, and also hurting the game itself. The idea that a man can accuse another of dishonesty in baseball without being able to show the sightest proof is preposterous and must be stopped. I will push this case against Hart to the limit. The magnates will meet again to-day and the playing schedule will be announced.

Columbia Wins From Princeton at Basket-

PRINCETON. Feb. 16.—Columbia defeated the Tiger basketball team here last night by the score of 32 to 28. The game was very rough and more time was spent in arguing with the officials than in actual play. Columbia's team work was superior to that of bia's team work was superior to that of Princeton, and the visitors had the lead all through the game. Toward the end of the second half, however, the Tigers took a magnificent brace, and brought the score up to within two points of Columbia, but the visitors got another goal before the whistle blew, thus finishing four points in the lead. The loss of the game practically means the end of Princeton's chances for first place in the intercollegiste ranking.

Aces by service—Scott, 9; Waterbury, 7.

The referee was George H. Brooke, while E. Rogers was marker, and for the professional match Morton S. Paton had the judge's chair and David Gardner called the aces. The partners were George Standing of the home club and national professional champion and Fred Tompkins of Philadelphia against Tom Pettit, the tennis champion of Boston, and Harry Boakes of Chicago.

Standing and Tompkins won the toss of the racquet and the former went in to serve, which started the series of four in sevengames. The balls spattered about the court like rife bullets and the fick of racquets was a chorus to suggest the patter of hail. All the play was of the fast and furious order, the standing pair winning in straight games by 15-11, ing pair winning in straight games by 15-11, 15-6, 18-16, 17-15.

HONORS FOR CUBAN AUTOISTS. Havana's Mayor Congratulates Senor Conill on Victory in Big Race.

Special Cable Despatch to THE SUN. HAVANA, Feb. 18.—Mayor O'Farrill to-day handed to Senor Conill the cup presented HAVANA, Feb. 18.—Mayor O'Fafrili to-day handed to Señor Conill the cup presented by the municipality to the winner of the 180 kilometre race held here last Sunday, his 60 horse-power Mercedes car having won the race? All the members of the City Council were present. The Mayor made a short speech, congratulating Señor Conill, who is a Cuban, on his victory. He also congratulated Carricaburu, who drove the car. He said it was an honor for Cubans to have won, and he hoped that they would win again next year. He also hoped that in the future not only Americans, but Europeans would come to Cuba to compete for the cup.

The races have awakened much interest here in automobiling, and it is now proposed to arrange a combination of roads that will make a circular course, probably 100 kilometres in circumference. It is hoped time there in circumference. It is hoped that next year there will be a big meet here.

Special Cable Despatch to THE SUN Parts, Feb. 16.—This afternoon Frank J. Marshall and D. Janowski engaged in the Marshall and D. Janowski engaged in the tenth game of their match of eight games up, at the Circle Philidor, in this eity. It was Janowski's turn to open the game, which he did by playing P—K4. Eventually a regular four knights game ensued, in which Marshall had assumed the attack at the cost of a pawn. When an adjournment was taken at 6:30 the Brooklyn master was still a pawn down, but it was thought that he was amply compensated by an attack, which promised good results. Janowski, however, handled the difficult defence in fine style, and after the attack had been repulsed won the game in a skilfully conducted ending after eighty-five moves. Present score: Marshall, 4: Janowski, 4: drawn, 2.

New York University Athletes Compete. A joint gymnastic exhibition and track meet was held in the New York University gymnasium yesterday afternoon. J. A. G. Baudermann, '06, in a trial against the record for the mile made by Remington in 1899, clipped off 12-5 seconds, running the distance in the fast time of 4 minutes 47 3-5 seconds. Tippett ran a "hundred" in 11 3-5 seconds.

The gymnasts showed that they are rapidly getting into shape for the dual meets of next month. Miller gave a fine exhibition on the horizontal bar, executing his moves with ease and smoothness. The other men who did good work were G. P. Meade in the club swinging event and G. W. Bartelmez on the horizontal and parallel bars.
